

3rd Annual

Dive Langley Event

April 14, 2012

9:00 a.m. - 4:00 p.m.

Come and join fellow divers for a day of fun and diving at the Port of South Whidbey's Harbor at Langley.

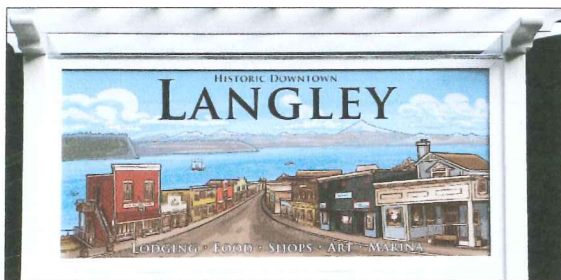

Try your luck at our underwater Easter Egg Hunt. Bring your favorite photos ready to display for a photo contest. Emerald Sea Dive Club will host a creature feature and coloring activity for kids from 1:00—2:00 pm.

Join the conversation on the future of diving as our Harbor expands.

We welcome involvement by all who would like to share information on the formation of dive sites, dive parks and all environmental issues that divers face in Puget Sound. For more information contact Duncan McPhee at
