Welcome to our Summer Dock Attendants

David Schaal

Kyle Andrews

**The Port of South Whidbey is pleased to introduce
David Schaal and Kyle Andrews –
They'll be meeting you on the docks this summer!**

David and Kyle will be standing by to assist visitors as they sail into the Harbor at Langley this summer. Both are boating enthusiasts, and in a short time have become adept at assisting our guests in and out of the Harbor in a safe and fun manner. We are very lucky to have David and Kyle on our team, as they both bring talents and skills which improve our operations and benefit our guests. Join us in welcoming David & Kyle aboard!

HARBOR EXPANSION WORK CONTINUES

Contractors Mike Carlson Enterprises and Neptune Marine have continued their work on the Phase 1 Harbor Expansion project. The contractors have started refurbishment of the floating breakwater and installation of a gangway access platform, with major pile-driving, repositioning and utility work due to start off-shore in July. We want to emphasize that the contractor is doing a great job controlling his work - so rest assured, *it will be a fun summer inside the harbor as always!*

CATCH A RIDE TO THE STAR STORE

Due to ongoing construction, we will not be able to offer ice and crab bait on the dock this summer. Fortunately, the Port of South Whidbey and the Langley Main Street Association have partnered in a six passenger electric vehicle, which will be operating between the Harbor and town. Enjoy a ride up the hill, and *the Star store will be your ice and bait headquarters!*

YOUR FAVORITE PIZZA NOW WITH A VIEW

The Village Pizzeria has recently completed a major renovation. The seating capacity has been greatly expanded and now features views of the beautiful Saratoga Passage. The Pizzeria now has a large custom made bar, fireplace and wonderful artwork. Of course, on nice days you may still choose their outdoor seating on the bluff overlooking the water!

LANGLEY NOW HAS A PRIVATE EVENTS CENTER

Located in the back of the Old Firehouse, **Callahan's Firehouse Studio and Gallery, 179 Second St.**, is now an 800 square foot indoor facility ready for your function. This is a great space for meetings, classes, musical events, parties etc. There is also a large outdoor space with a southern exposure along with ample parking.

For more information and reservations, call 360-221-1242.

WHY NOT CATCH A MOVIE IN LANGLEY?

Enjoy Langley's Clyde Theater for a first-run feature at a bargain price! For show times, check www.theclyde.net , call 360-221-5525 - or check the listings at our dockside info center.
