Surveys Indicate Rebound of Local Sea Star Population

Jan Kocian, friend of the Harbor, has been very active in documenting the sea star wasting phenomenon which has affected sea stars in Puget Sound. Recent surveys indicate the beginning of the return of healthy sea stars around the Harbor at Langley.

According to Jan's observations, the area around the Harbor was one of the last to show evidence of the wasting syndrome initially and now looks to be one of the first to show a recovery.

LANGLEY MYSTERY WEEKEND 2015 February 21st – 22nd

This year's theme:
"IT'S NO LAUGHING MATTER"

Enjoy a mid-winter Langley get away with a twist, try to solve a murder, or just enjoy watching others sleuth their way to win great prizes!

The doors of the Langley Chamber of Commerce office open at 10 a.m. Saturday, February 21st as Langley's Mystery Weekend 2015 begins. Get your clue maps and a copy of ***The Langley Gazette*** and start sleuthing around town for the identity of the murderer.
