A Great Summer Season

Many thanks to everyone who helped make the Summer of 2014 so successful!

Since opening the new D and E docks, the Port has experienced huge support from our community and visiting boaters.

Crabbers have found D dock to be a little more productive than the old Wharf and a lot easier to pull the pots up!

My crew and I have really appreciated the respect that has been shown toward the facility and the visiting boaters by those crabbing and fishing out on D and E docks.

I would like to extend a big thank you to all of the visiting yacht clubs and groups that have visited this summer and those scheduled to visit us in the remaining year:

Seattle Singles Yacht Club	Tacoma Yacht Club
Poulsbo Yacht Club	Tyee Yacht Club
Windworks Sailing	Mukilteo Yacht Club
Dagmar's Yacht Club	Port Ludlow Yacht Club
Queen City Yacht Club	Navy Yacht Club
Everett Yacht Club	

DockStock 2014 was a great experience again!

We had many returning attendees and we made quite a few new friends this year, most notably Captain Bill Wasserman and the Tyee Yacht Club. We hope to see you all again in 2015!

We will begin accepting reservations for DockStock 2015 on May 1st.

Thank you, Pam Schell, for sharing your edible Goose Barnacles from Portugal with DockStock attendees. We had a lot of fun teaching people how to eat them. It was a very fun experience!

Congratulations to Elena Cowperthwaite, Monica McDaniel, Tina Taylor and Charles Busteed for your award winning crab recipes this year.

People and music are the key components of DockStock and we had wonderful people and wonderful music! This year's musical performers were:

Cranberry Bog Bluegrass Band
Janie Cribbs and the T. Rust Band
Dexter Lewis
Ali Marcus
Redtech
The Wild Snohomians

I would also like to thank our Langley community and our neighbors who allow us to hold this event, which is held to show our appreciation for the boaters who visit us each summer.

ARRIVAL AND DEPARTURES

Arrivals and departures are encouraged to contact Harbor staff on VHF 66A or 360.221.1120 before entering the fairway or leaving the dock. With the addition of D and E docks we regularly have much larger and more frequent boat traffic. We also have a lot more ground (dock) to cover in order to assist our guests at the dock.

Thank you!

Duncan McPhee, Harbormaster
